

## What do we do?

Bedford provides fun, challenging, and capacity-building social activities in the community, at home, or at a Bedford Experiences location.

We also have a great Summer Holiday schedule available in December and early January each year!

You can use your NDIS Core Funding to access Experiences programs. Contact us today to find out how! \*

## What does it look like?

We offer social and recreational activities to suit the needs of individuals from a 1:1 to a 1:5 ratio.

You can take part in a range of activities, such as escape rooms, cooking, and go-karting.

## Where can I participate?

You can access Experiences programs and supports at Panorama, Torrensville, Elizabeth, Mount Gambier, Port Pirie, Port Lincoln and Wallaroo!

\*If your NDIS plan includes Core and Capacity Building funding for social and community participation, you can access Bedford's Experiences programs. If you do not have NDIS funding in this area but would like to join in, you can do so by self-funding your supports & services.
