30 March 2023

On May 6, South Australia's largest employer of people with disability is throwing its first Gala Night fundraiser to raise money for a great cause!

Hosted by the dazzling entertainer, Hans, the 'Future is Bright' Gala Evening promises to be a night of fun, laughter, and social good.

The event will take place at the Adelaide Convention Centre and will feature a spectacular light show, great food and wine and light themed installations to tie in with the beaming theme.

All proceeds from the Gala will go towards Bedford's five-year masterplan to create more jobs, opportunities and build a beaming future for people with a disability in South Australia.

On the night, Bedford is beyond excited to welcome Hans, the self-described 'Berlin boy wonder', to the stage with his brand of humour. Hans has been thrilling audiences around the globe with his award-winning comedy cabaret for more than a decade. He says his personal brand of pizzaz will bring that special sparkle to the evening.

**"I've always been a big fan of Bedford and the work they do, so to be hosting the Gala is something I'm really looking forward to! Plus they're letting me loose on the DJ decks later on in the night... So I hope you all like Spice Girls, honey! We're gonna dance the night away together!"** Hans said.

The evening will also include live performances by the talented South Australian band 'Bermuda Bay'. There will also be a live auction and raffle, with some incredible prizes up for grabs. According to Bedford CEO, Myron Mann the Gala promises to make a positive impact to the disability sector in South Australia.

[Quote from Myron] **"This is a first for Bedford. Our biggest fundraising event ever and a great opportunity to support people living with disability in SA,"** Mr Mann said.
